

You are invited to join us at the...

Brain Tumour patient and family Information Day

Tuesday 6th March 2012 from 11.00am to 3.00pm

At the Thackray Museum, Beckett Street, Leeds LS9 7LN (Ample parking, disabled access)

Coffee and cake will be available all day and at 12.00 a canapé lunch will be served before presentations at 12:30 from specialists in the Neurosciences fields including Surgery, Oncology, Pathology and Science.

You will have a chance to meet health professionals involved in the care of adults affected by brain tumours, including:

- Neuro oncology nurse specialist, occupational therapist, speech and language therapist, dietician, psychologist, epilepsy nurse.

Together with other organisations that may be able to help you, including:

- Brain Tumour Research and Support across Yorkshire (patient support group, grants, counselling service, fund research)
- Robert Ogden Centre
- Bexley Wing Information Centre
- Regional Cancer Support Networks

**Please call 01943 870770 or email
contact@btrs.org.uk to reserve your place.**

This event is run in partnership with Leeds Neuro Oncology professionals and Brain Tumour Research and Support across Yorkshire
